Dear Brandee,

### **Secretary**

Nancy Downes

I am so thankful for people like you. Your generous donation of \$15,000.00 to Family Promise of Hawai'i through the *cy pres* Fund will make a difference in the everyday lives of our guests and enable us to continue serving homeless families with children here in Hawai'i. With your support we are changing lives and truly making a difference in our community.

### **Treasurer**

Ellary Kim

Your support has given hope to parents and children. A recent guest said: "As one of the many homeless families in Hawaii, I am proud to say that my family and I have finally made it. I give all my thanks to Family Promise and its staff for all their help. They gave my family and I that push, that motivation to strive and achieve what all families want for their family...a place to call home....they taught us to budget and save our money but most of all they gave us hope as a family."

Since 2006, we have helped **over 1,100** children and their parents. In 2012, 245 parents and children were helped through our various programs. In 2013, we expect to exceed our goal of assisting over 200 parents and children regain their independence. Last year, one-hundred percent (100%) of our families secured or bettered their employment and all saved money to provide a safety net should they run into unexpected obstacles.

Family Promise of Hawai'i provides 24 hour emergency shelter that provides numerous supportive services and welcomes homeless families with children residing across Oahu. While Family Promise is a secular program, we partner with over 63 multi-denominational host congregations and 1,500 volunteers utilizing their facilities and members to provide shelter, meals and supportive services in a compassionate manner. Together we are helping homeless families secure permanent housing, better jobs, education and independence. We are part of the Family Promise program which now has 182 affiliates in 41 states across the country.

Please give us a call to stop in and visit one of our centers. We would love to show you around so you can see firsthand how your support is helping local families. There are also several volunteer opportunities available if you are interested. On behalf of the families we serve, thank you for your generous support as we partner together to end homelessness.
