Dear Ms. ^{Brandee}Faria,

On behalf of the Board of Directors and staff of the Mediation Center of the Pacific, I would like to extend our heartfelt gratitude to you and your firm, for selecting the Mediation Center as one of the *cy pres* beneficiary's of the residual monies remaining from the class action settlement in *Peterson, et. al. v. Central Pacific Bank, et. al.* The funds will be used to support the development and growth of three key family programs including: Kupuna Pono; Divorce; and Paternity. All three of these programs address critical community needs and increase access to justice by assisting families in negotiating agreements for the benefit of their children and elderly members, instead of going to court.

Again, we are extremely grateful to you for recognizing the value of the Mediation Center's services and for selecting it as one of the *cy pres* beneficiaries. We will keep you apprised of the outcomes achieved with the use of the funds.

Sincerely,

Tracey S. Wiltgen
Executive Director
